Hi Sofie,

Attached are:

Ex. 5 Deliberative Process (DP)

- Redline edits to the response to comments (two documents) to address the cover comments you provided Wednesday (12/23) and address changes to the FRN.

We are still in the process of formatting the response to comments document with these changes into a clean document, but we wanted to provide you with the substance of these changes quickly. As noted in our response to the cover comments, EPA will provide a clean version of the response to comments, including the updated table of contents, to OMB no later than mid-day tomorrow.

Does OMB have further comment on the FRN?

With regard,
Bennett

Hi Sofie,

Acknowledging receipt of OMB's comments on EPA's response to comments document. Further, attached is a redline document of changes EPA has made to the FRN **Ex. 5 Deliberative Process (DP)**
These edits are made on top of the clean document I sent Elke yesterday, which reflected changes EPA made in response to 12/16 interagency comments **Ex. 5 Deliberative Process (DP)**

Happy holidays and warm regards,
Bennett

Hi Bennett,

Please see the attached cover comments on EPA's Response to Comments. Apologies that I don't have the entire relevant EPA staff list for this rule, please distribute internally as necessary.

Best,

Sofie
